

MATERIALS DONATIONS

*** WE OFFER THREE DONATION OPTIONS ***

Drop-In Donations Days (Limit 3 Grocery Bags 50 lbs)

Every Thursday & Saturday • 11am – 1pm

Donation Appointments (Donations of any size)

Wednesdays & Fridays

In-Store VIP Donations (Limit 3 Grocery Bags 50 lbs)

We accept only the following items in the store during business hours:

Yarn, Fabric (yardage only, no scraps), Canvases (new & used), Sketch Pads, Art Paints (no aerosols or house paint), Paint Brushes, Jewelry, Beads, Glue (no aerosols), Tape, National Geographic Magazines

HOW TO DONATE:

- **Make sure we accept what you have.** Check out the lists of items on our website.
- **Organize your items** so we can see everything clearly when you drop it off. Bag like items together (ex: corks in one bag, bottlecaps in another). The more organized your donation is, the faster we will be able to get you in and out. Bring your donation in a bag, box, or container that can be left behind.
- **Ring the bell** at the Donations door or table (on SE Washington St, around the corner from the main entrance).
- **Be prepared to wait** while we look through your donation. We look through every donation to make sure we accept everything in it and reserve the right to reject any donations.
- We will email or give you a tax receipt and that good feeling that comes with supporting your local creative reuse nonprofit!

To leave your donation on the sidewalk at any time without checking in with a SCRAP team member **is considered dumping**, regardless of the items. This hurts our organization, our neighborhood, and our community; and it's against the law.

SCRAP PDX can't accept donations mailed to the store. All donations must be made in person.

Thank you for your support!
